THINGS THEATRICAL

A fair sized audience witnessed the
production of Lincoln J. Carter's melo-
drama, "Too Proud To Beg" at the
Traders Grand Opera House Saturday
night. The play deals of a murderous
inspector of police who is brought to
justice by the hero who suffers many
outrages which the inspector perpetrates
on account of the latter's love for the
hero's wife. The play ends up satis-
factorily, as all melo-dramas are bound
to and the hero, who was a detective
under the inspector, is united with his
wife and children and the wicked parties
to the plot are taken off to prison.

The play was a rather good one. The
chief feature of the whole production
was the acting of the two little Boylan
children, who acted the parts of the
hero's children throughout the piece, and
did wonderfully for their tender years.
They rendered a specialty acrobatic
feature in the third act that was excel-
lent. They are but little tots but they
show wonderful ability and have a bright
future before them on the stage.

The company was fairly well balanced.
The special scenery was appropriate.
There were no tiresome intervals in the
play. In fact it was a play that pleased
all those who saw it.

The scratch of a pin may cause the

healing liniment for cuts, bruises and
burns. For sale by G. C. Stone, drug-
gist.

Stone's drug store and get a free sam-

THOMAS GREGORY'S FUNERAL.

The funeral of Thomas Gregory, the
shoemaker, took place Sunday afternoon

gory, in the East End, and the inter-
ment was at the Masonic cemetery.

A Mother's Recommendation.
I have used Chamberlain's Cough Rem-
edy for a number of years and have no
hesitation in saying that it is the best
remedy for coughs, colds and croup I
have ever used in my family. I have
not words to express my confidence in
this remedy.—Mrs. J. A. Moore, North
Star, Mich. For sale by G. C. Stone,

EXTENSIONS

Of the Bell Telephone System of Wires
Makes It a Veritable Network All
Over the State.

The Southern Bell Telephone line is
now completed and in operation from
Charleston to Weston, by way of Sut-
ton, a distance of about 150 miles. It
will shortly be extended to Elkins, Phil-
lippi, Delington and Parsons, and con-
nection will be made from Clarksburg
also. A line is also proposed through
Webster county. Another will extend
from Point Pleasant to Ravenswood and
from Spencer. Connection will also be
had with Parkersburg. A line has been
built and is in operation between Clarks-
burg and New Martinsville. These ad-
ditions to the Bell system makes it one
of the most complete lines in West Vir-
ginia and places it where it is of great
value to patrons.

Tendency of the Times.

The tendency of medical science is to-
ward preventative measures. The best
thought of the world is being given to
the subject. It is easier and better to
prevent than to cure. It has been fully
demonstrated that pneumonia, one of the
most dangerous diseases that medical
men have to contend with, can be pre-
vented by the use of Chamberlain's
Cough Remedy. Pneumonia always re-
sults from a cold or from an attack of
influenza (grip), and it has been observ-
ed that this remedy counteracts any ten-
dency of these diseases toward pneumo-
nia. This has been fully proven in many
thousands of cases in which this remedy
has been used during the great prevail-
ance of colds and grip in recent years,
and can be relied upon with implicit con-
fidence. Pneumonia often results from a
slight cold when no danger is apprehend-
ed until it is suddenly discovered that
there is fever and difficulty in breathing
and pains in the chest, then it is an-
nounced that the patient has pneumonia.
Be on the safe side and take Chamber-
lain's Cough Remedy as soon as the cold
is contracted. It always cures. For
sale by G. C. Stone, druggist.

PRETTY SAFE RULE TO GO BY.

When there is a feeling that the heart
or lungs, blood or liver, brain or nerves
are diseased, at once commence to doctor
the stomach. That is the foundation of
the trouble in 90 cases out of every 100.
Commence to regulate the digestive or-
gans, get them in healthy working con-
dition, and the other troubles will leave
of themselves. Diseases which have their
beginning in the stomach must be cured
through the stomach. The medicine for
stomach disorders and half the ills of
life, is Dr. Gunn's Improved Liver Pills.
They are sold by all druggists for 25c
per box. One pill is a dose. These pills
put all the digestive organs in good con-
dition so that disease has no basis to
work upon. Sold by Stone & Mercer.
